Seth,

We cannot open any of the docs you sent us for the Sternberg Defendants in your below email — when we try to open them, we get the following error message:

Adobe Acrobat could not open 'BOL sh3 3 21\_22.pdf' because it is either not a supported file type or because the file has been damaged (for example, it was sent as an email attachment and wasn't correctly decoded).

To create an Adobe PDF document, go to the source application. Then choose Save as Adobe PDF from the PDF dropdown in the Print dialog.

Please resend us the docs so we can open and review them, asap

thx
